

LEAF STRAINER

FEATURES:

- Keeps leaf and other litter from entering the drainage tiles.
- Designed for use with 4" inch flexible and rigid drainage systems.
- Usually installed where the down pipe meets the drainage tiles, it allows for quick clean out of the basket with a single swipe of your hand.
- Can be used with any sized down pipe up to 4 x 4.
- Made with UV protected polymer resin.

COLORS:

- Snow White 01
